MEDICAL AESTHETICS TREATMENT GUIDE

At Derma Lab we believe in a holistic approach to aesthetics and skincare. Dr Kayla Andrew and her team offers a variety of non-surgical procedures and treatments as well as home care products and advice. All treatments are nonsurgical, and minimally invasive requiring little to no down time. We tailor make treatment plans according to each individuals needs and budget. Prices may vary and this list serves as a guide, please enquire directly to confirm prior to your procedure.

DOCTOR CONSULTATIONS

An essential step to determine your individual needs and concerns and formulate a treatment plan with a medical and aesthetic approach. May be deducted from treatment cost for specific procedures.

TREATMENT	DURATION	PRICE
Skin Consultation	45 min	750
Acne Consultation	45 min	750
Aesthetic Procedure Consultation	45 min	750
